25th Sunday in Ordinary Time

"No servant can serve two masters. He will hate one and love the other, or be devoted to one and despise the other. You cannot serve God and mammon (wealth)." (Luke 16:13) Jesus knows that for many of us, God and money run "neck and neck" as top priority. Is money a "god" that you put before God? Giving money to support the Church and other charity is a pillar of our faith, just like attending Mass every Sunday and participating in parish ministry. Giving money frees us from becoming a slave to money. It increases our dependence on God and our trust that God will provide all that we need.

Congratulations to our young people who received their First Holy Communion in June. May you have a wonderful life as you walk in the path shown by our Lord Jesus Christ.

As believers in Jesus Christ, we are called to a new life and to make moral choices that keep us united with God. With the help and grace of the Holy Spirit, we can choose ways to act to remain friends with God, to help other people, and to fulfill our prophetic mission to be witnesses to Christ in all circumstances and at the very heart of the human community.

Congratulations to all our newly Confirmed students.
