

Remote Lesson # 7

DUE: May 19 by 8:00 am

This lesson deals with forces outside the vehicle that affect your driving. The laws of New York State are certainly important to follow, but the laws of nature are equally, if not more, important.

Please send your responses in the body of an email **to your lecture teacher:**

MR. LANNIG drivered@holytrinityhs.org

or **MR. LYONS** dlyons@holytrinityhs.org

Lesson 7: Driving and the Laws of Nature

Part 1:

Watch the following video on 8 Tips to Driving in Bad Weather. After watching the video, identify and describe - in your own words - 5(five) of the eight tips described in the video and explain how you would use each to be a better driver.
