MEDITATION FOR

May 21, 2023

Give glory to God

Today's Liturgy of the Word offers insight into what it means to glorify God. It is not about just praising occasionally with words, but rather, it is about glorifying God with our lives. What we say and what we do ought to glorify God every day. Jesus has shown us this way by His very life, from His public ministry to His passion and resurrection.

In the reading from the Acts of the Apostles, the first disciples return to Jerusalem about witnessing the Ascension, and devote themselves to prayer. In the second reading, Saint Peter counsels those who face persecution that they will be glorified by God. In the Gospel, Jesus prays to the Father as His hour has come. He describes how everything He has done on earth has been for the Father.

"For it is better to suffer for doing good, if that be God's will, than for doing evil."
1 Peter 3:17

The old line says, "if you want to make God laugh, tell Him your plans." Many of us are diligent in our planning, making sure things are progressing smoothly, then disaster strikes, we don't get the result that was intended. An unforeseen problem arises. Many times we may respond negatively. Why me? I did everything right! Here's the thing-God has a different and better plan in store for you.
