*Saint Bartholomew Mass schedule will stay the same.*

### *The Disciple Maker Index and Survey will open on March 5th!*

Please help us participate by completing a 10-15 minute survey as soon as possible.

Saint Timothy and Saint Bartholomew parishes are on a journey to know, love and serve Christ in our parish communities. Together we must embrace Christ's vision for missionary discipleship so our parish can thrive and be a place for others to grow together in faith.

The very first step in this process involves **assessing our greatest strengths and opportunities**, and that is where the **Disciple Maker Index (DMI)** comes in!

The DMI survey is an important survey tool that invites you to reflect on your discipleship journey at Saint Timothy and Saint Bartholomew parishes. The Disciple Maker Index is designed to:

- \*\*\* Invite parishioners to reflect on their journey of discipleship.
- \*\*\* Enable parish leadership to make data-driven decisions.
- \*\*\* Help parishioners grow in their faith.

The 10-15 minute survey can be accessed through an online link from **March 5th until April 10th** and will ask you to reflect on your own spiritual growth and enable you to provide your perspective on your parish's efforts to help you to grow in your relationship with Christ. All responses will be confidential, and the parish will only receive information about the community as a whole.

\*\*\*Go to <https://www.catholicleaders.org/phila-dm> (select the link to your parish).

\*\*\*Paper surveys will also be available for those who do not have the ability to complete the survey online. Please contact the rectory for a copy.

Together we must embrace Christ's vision for missionary discipleship so our parishes can thrive and be places for others to grow together in faith.

*Thank you for helping with this important project and please continue to pray for this intention and for the growth and protection of our parish.*

### Lenten Reflection

As the Church begins the anticipatory and penitent season of Lent, it is important to take a moment to understand the season's meaning and how it applies to each of the Catholic faithful. Lent is a time of prayer, fasting, and alms-giving in preparation for the passion and resurrection of Christ. So, when we think of how to observe Lent, we should think of how to best prepare ourselves for the Paschal Mystery.

Prayer brings us closer to God and strengthens our relationship with Him. Increasing prayer during Lent can be a practice that stays with us long after Easter. This doesn't mean we have to spend hours on our knees at an adoration chapel - though it would be nice to have the opportunity. Perhaps one decade of a rosary every morning on the way to work, or meditate on the daily prayer from the "Little Black Book". Daily Mass is an excellent way to improve prayer life, too, if one's schedule allows.

Fasting is more than a dietary exercise and it is not just a method of self-denial. Fasting is an exercise that empties us of worldly things that we may fill ourselves with Christ upon His resurrection. It is also a practice of discipline, the root word of "disciple." Turning away from a beloved food or habit gives us time to focus on prayer and creates a longing which we can fill with Christ's love.

Finally, almsgiving is a Lenten practice of doing for others by sharing our time, talent, and/or treasure. It doesn't just mean writing a check to the local parish or nonprofit organization. This is a time to simplify life and detach from worldly goods and donate clothing, food, money to the poor. Volunteering to work with children, the homeless, the community is a way to follow the example of Christ and better prepare us for His coming.
