Happy Mother's Day

Mary, on this day when we honor all mothers, we turn to you. We thank the Lord whom you serve for the great gift of motherhood. Never has it been known that anyone who sought your intercession was left unaided by grace. Dear Mother, thank you for your "Yes" to the invitation of the angel which brought heaven to earth and changed human history. You opened yourself to God's word and the Word was made flesh and dwelt among us.

Dear mother, intercede for all of our mothers. Ask your Divine Son to give them the grace of surrendered love so that they could join with you in giving their own "Fiat." May they find daily strength to say yes to the call to the sacrificial love - the very heart of the vocation of motherhood. May their love and witness be a source of great inspiration for all of us called to follow your Son.

On this Mother's Day, Mother of the Word Incarnate, pray for us who have recourse to you...

We are celebrating May Crowning at all the Parishes in the Preble County Region this weekend.

Happy Easter!

Did you know that Easter is a 50-day continuous celebration of the Lord's Resurrection. What a gift to be able to celebrate.

At Mass, we renew our baptisms with the sprinkling rite. We remember that we are children of God called to walk in the light of Christ. Let Jesus continue to give light to the darkness of the tomb and feelings of loneliness or emptiness. Our life is full in Christ, and we are able to do all things in Christ who strengthens us. May God continue to bring about the glory of the Resurrection in your daily Easter walk with the Lord. Know of my prayers and let us rejoice together. The Lord is Risen! Alleluia!

Sacrament of the Sick

Preble County Catholics

We will celebrate the Anointing of the Sick during Mass at all weekend Masses.

The Weekend of May 28th & 29th

When the Sacrament of Anointing of the Sick is given, the hoped-for effect is that, if it be God's will, the person be physically healed of illness. But even if there is no physical healing, the primary effect of the Sacrament is a spiritual healing by which the sick person receives the Holy Spirit's gift of peace and courage to deal with the difficulties that accompany serious illness or the frailty of old age. ~from the United States Catholic Catechism for Adults
