

St. Timothy Life Teen // Medication Turn-In Form

Teen's Name: _____ Event: _____

Name of person completing form : _____ Date: _____

- If possible, medication schedules should be built around meal times.
- Leave medication in labeled containers (do not mix into pill boxes).
- Only provide enough medication for the duration of the event.
- Medication can be picked up at the conclusion of the event or from the parish office up to 1 week after the event. Remaining medication will be discarded after 1 week.
- General over the counter medications like Advil, Pepto Bismol, Benadryl, etc. will be provided from the ministry 1st aid box and need not be sent.
- H.S. teens **MUST** request their medication from the designated core member at the appropriate times. *H.S. teens must be able to dispense their own medication.*
- Edge teens should be encouraged to request their medication from the designated core member at the appropriate times.
 - Please initial here if your Edge teen is **NOT** able to dispense their own medication. _____
