ALL THINGS NEW
STEADFAST IN FAITH • FORWARD IN HOPE

Heavenly Father, you sent your Son Jesus as the first
Evangelizer of the Good News.

Send forth the power of the Holy Spirit upon the
Church of St. Louis and grant us the gift of true
discernment so we may do your will in all things.

Help us be totally free to follow wherever you lead us,
totally generous to be good stewards of your many
gifts, and totally passionate to suffer all in order to be
more closely united to you.

Commissioned by your Son and empowered by the
Spirit to "Go and Make Disciples of all Nations,"
strengthen us by the power of your grace as we bring
the Good News of Salvation into the lives of all those
we touch, so that individual hearts and all of society
may be converted to you and all things might be
made new.

Inspired by the apostolic zeal of previous generations,
as we begin the process of planning for the future,
may our only desire be to do all things for the greater
glory and honor of your name and for the good of
your people in the Archdiocese of St. Louis.

Through Christ our Lord.

Amen.

ARCHDIOCESE OF ST. LOUIS

Strive to enter through the narrow gate,
for many, I tell you, will attempt to enter
but will not be strong enough.

Luke 13:24

FROM THE PASTOR'S DESK

Dear St. Mark Parishioners,

We had a great Mass and backpack blessing for the students last Sunday at the 11am Mass. It was followed by a delicious ice cream social and open house in the school. The students began classes last Tuesday and the school year is under way. Thank you to our students and families for their enthusiasm. Thank you to our faculty and staff for their hard work and sacrifices. And thank you, the Parish, for your generous support of the school. It's going to be a good year.

Please see the article and Archbishop Rozanski's letter at the end of the bulletin regarding All Things New. This fall, each parish will host two listening sessions. You are invited to attend one of them. We will see the proposed models for the archdiocese and allow you to provide needed feedback. The dates for our listening sessions will be determined soon. Keep praying for the success of this planning initiative and that we will always be guided by the Holy Spirit. Although there will be changes across the archdiocese, and we don't know exactly what those will be yet, the end goal is a stronger local Church in St. Louis.

God bless you and have a good week.
Fr. Hecktor

ST. LOUIS IX KING OF FRANCE FEAST DAY: AUGUST 25

St. Louis IX, King of France is the Patron Saint of our city, county, and Archdiocese. Here is a brief story of his life...

... was the ninth of his name. He was born at Poissy, France, in 1214. His father was Louis VIII, and his mother was Blanche, daughter of Alfonso VIII of Castille, surnamed the Conqueror. At the age of twelve he lost his father, and his mother became regent of the kingdom. From his tenderest infancy she had inspired him with a love for holy things.

In 1234, he married Margaret, the virtuous daughter of Raymond Berenger, Count of Provence, and two years later he took the reigns of government into his own hands. In 1238, he headed a crusade, in which he fell a prisoner among the Mohammedans, but a truce was concluded and he was set free and he returned to France. In 1267, he again set out for the East at the head of a crusade but he never again beheld his native land. In 1270, he was stricken by the pestilence at the siege of Tunis, and after receiving the Last Sacraments, he died. ...

EUCHARISTIC ADORATION

TUESDAYS | 9:00 AM - 9:00 PM

Wilfrid Stinissen, author of the book Bread that is Broken has written "...the Eucharist – and thus the whole Christian life – is a meal shows us that we do not have life in ourselves. We must receive it, eat it. We become what we receive. If we refuse to receive, refuse to eat and drink him [Christ], we remain without life.

Dear Parishioners,

It is official...WE ARE BACK! Our theme for the 2022-2023 school year is "Find Joy in the Journey." The Bible records many journeys with God. He has a plan for our journey, a goal and destination, and it involves quite a bit of adventure in living the kind of life God calls us to live. We are ready for the journey of a new school year!

It was a busy first full week of school. The students are working hard to get back into good school routines and our preschool students have joined us as well. I witnessed many yawning faces the first few days, but before we know it routines will be set and the school year will be off and running.

I want to thank the many people who helped prepare our school for the new school year. Mr. Bill Boyd did an amazing job preparing our school for a new year. Mr. and Mrs. Eveker painted our new learning lab classroom and entrance way, Mr. Lance Polette said "yes" to many projects, and Mr. Peter Soderquist helped prepare our technology for the new school year. I am also grateful to the teachers and staff that volunteered their time during the summer to work on a variety of school improvement projects. Preparing for a new school year is a large team effort and I am extremely grateful for everyone.

The teachers and I are excited about the upcoming school year and look forward to all that awaits us. We look forward to seeing you and ask for your prayers for a happy, healthy, and safe school year.

St. Mark, Pray for Us.

—Julie Bingham, Principal

August 21, 2022

Dear Brothers and Sisters in Christ:

Please let me start by thanking you for your thoughtful consideration and honest feedback to our various All Things New surveys, outreach and strategic planning endeavors. Your prayers and input have been most valuable to this effort.

As I write, I'm reflecting on something the Holy Father said several years ago that remains true and especially relevant to us in the Archdiocese of St. Louis. Pope Francis said "we are not living an era of change, but a change of era." The All Things New pastoral planning process is going to bring historic change to the Archdiocese of St. Louis. We know that our current model is not sustainable. As we start to look at potential plans for parishes, ministries and schools to ensure a vibrant presence and future for the Archdiocese, I'd like to update you as to where we are in the process.

In this next phase, we will begin a conversation with our archdiocesan priests and parishioners to discuss draft models, which are based on demographics, sacramental data and feedback received from the Disciple Maker Index survey and other consultative bodies. This past Friday, we presented the information we gathered and preliminary proposals for parishes to our priests to gather their feedback. Then, over the next several months, we will share updated proposals in a series of listening sessions hosted at each parish to hear your thoughts about the proposed models. ***Please let me remind you that these parish models are preliminary and will be adjusted based on your feedback.*** Specific information regarding schools will be released later.

Our goal is to implement a vision for evangelization that is accessible to all and empowers every Catholic to spread the Gospel message – today and for generations to come.

This is our primary focus as Catholics, and so I urge you all to bear this in mind as we take the next steps. We are called to collaborate as the Catholic Church rather than compete as many individual churches. I encourage you to engage with us during our listening sessions with an open heart and mind, as we continue to discern where the Lord is leading us. We will continue to update you through allthingsnew.archstl.org. May God bless you, your family and your parish community.

Sincerely yours in Christ,

Most Reverend Mitchell T. Rozanski
Archbishop of St. Louis

ALL THINGS NEW

What is All Things New?

We all know that the Church of today is not the same that it was 50, 100 or 150+ years ago, and yet we are still functioning in many ways out of the same mode of evangelization. We have inherited a great treasure of Catholic institutions from previous generations, but as the Catholic population and society have shifted over the past several decades, they are no longer as effective or sustainable as they once were.

We are closer now to 2050 than to 1950. We need to ask ourselves what our parishes, ministries and institutions need to look like in order to effectively share the faith in a way that is suitable and sustainable for our children and generations to come.

All Things New is evaluating the effectiveness of the Church in St. Louis in proclaiming the Gospel and identifying opportunities for improvement and renewal within all parishes, schools and curia offices and agencies.

Why is the Archdiocese of St. Louis making these changes now?

- Our Catholic population continues to decline and age.
- Our priests are aging and as a result, their number is declining.
- Mass attendance and sacramental participation continue to decline.
- Fewer children attend Catholic Schools and Religious Education (PSR).
- Our resources are finite and need to be realigned.

On August 19, 2022, Archbishop Rozanski met with Archdiocesan priests. What was shared?

The Archbishop and Fr. Chris Martin, Vicar for Strategic Planning, shared the next phase of All Things New with archdiocesan priests, which included *proposed* parish models based on our Planning Areas.

A Planning Area is a number of parishes and schools in a geographic region which will be considered together to develop proposed structural options for the future. There are 15 planning areas in the Archdiocese.

They saw several options as to how parishes in their specific Planning Area could be structured and collaborate in the future. Each option is termed a "model."

The models are "unfinished" because they need your insight and feedback.

What's next?

Archdiocesan priests will evaluate the Planning Areas and Models and offer feedback. Their feedback will be incorporated into the models. Then, the updated Planning Areas and Models will be shared at every parish in listening sessions. The purpose of the listening sessions is to gather your input on these proposed options that are specific to your parish so that over the next year a recommendation can be presented to Archbishop Rozanski for his discernment.

Modelled parishes are generally much larger than current parishes. On average, parishes are 2 to 2.5 x larger.

What happens after the Listening Sessions?

All parishioners across the Archdiocese will have an opportunity to provide feedback through an open-ended survey about their parish's model options after the listening sessions. This feedback will be incorporated into revised models which will be refined with input from the pastors and key parish leaders throughout the winter 2022 and into 2023. Once a final recommended grouping of parishes and schools is determined, the model will also include the following:

- Recommendations concerning buildings to be used by the merged parish
- The number of priests initially assigned
- Suggested evangelization and ministry strategies

What is the timeline for this?

While decisions will be made in spring 2023, implementation will not begin until fall 2023 and will extend through 2026. Implementation will occur in a phased approach over time to allow for orderly planning and transition at the local level, led by your pastor and supported by the Archdiocese.

What can we as local Catholics do now?

You are encouraged to attend your parish's listening sessions with open hearts and minds. Continue to attend Mass, participate in the Sacraments and pray for the power of the Holy Spirit to pour out upon the Church of St. Louis, to grant us the gift of true discernment, so we may do His will in all things.
