A note from Mrs. Bingham

Dear Parents,

This past weekend some of our students performed “How I Became a Pirate.” I am proud of them for their dedication and hard work. They put their hearts into their characters and performed an amazing show.

I can’t thank Mrs. Greubel enough for her vision, organization and dedication to the Middle School students and to putting on an excellent performance. Everyone involved worked so hard and it showed. Congratulations on a job well done!

St. Mark, Pray for Us,

Mrs. Bingham

First Communion is this Saturday. Please keep the First Communicants in your prayers as they receive this Sacrament.

Train Your Brain is a summer camp unlike any other. Using engaging S.T.E.M. (science, technology, engineering, and math) activities, Train Your Brain teaches concrete strategies to help with goal setting, planning, organization, and time management in a fun atmosphere. This set of skills, called executive functioning, is vital for our children to learn and practice when they are young in order to manage increasing demands as they get older. Train Your Brain has curriculum and staff to support your child. Run by a licensed occupational therapist and doctoral-level graduate student, children's individual learning needs can easily be supported, and activities are designed to stimulate many areas of the brain.
