Well done, my good and faithful servant.
Since you were faithful in small matters,
I will give you great responsibilities.
Come, share your master's joy.

SPIRITUAL COMMUNION PRAYER

My Jesus, I believe
that you are present
in the Most Holy Sacrament.
I love you above all things
and I desire to receive
you in my soul.
Since I cannot at this
moment receive you sacramentally,
come at least spiritually into my heart.
I embrace you as if you
were already there
and unite myself wholly to you.
Never permit me
to be separated from you.
Amen.

Most Reverend José H. Gomez
Archbishop of Los Angeles

Holy Virgin of Guadalupe,
Queen of the Angels and
Mother of the Americas.
We fly to you today as your beloved children.
We ask you to intercede for us with your Son,
as you did at the wedding in Cana.
Pray for us, loving Mother,
and gain for our nation and world,
and for all our families and loved ones,
the protection of your holy angels,
that we may be spared the worst of this illness.
For those already afflicted,
we ask you to obtain the grace of healing
and deliverance.
Hear the cries of those who are vulnerable
and fearful wipe away their tears and help them
to trust. In this time of trial and testing,
teach all of us in the Church to love one
another and to be patient and kind.
Help us to bring the peace of Jesus
to our land and to our hearts.
We come to you with confidence,
knowing that you truly are our compassionate
mother, health of the sick and cause of our joy.
Shelter us under the mantle of your protection,
keep us in the embrace of your arms,
help us always to know the love of your Son,
Jesus.
Amen.

CHANGE OUR LIVES

The letters of Paul to the Thessalonians are among his earliest writings, and are driven by his belief and the belief of the entire early Christian community that the return of Christ was imminent, and that devoting time or attention to anything else was foolish.

As time progressed, this fervor subsided a bit. Today we may wonder, when we hear these readings about the coming end-times, if we should take them to heart, if we really believe that Christ still may come upon us as a "thief at night" (1 Thessalonians 5:2). Does this mean that we are to stop our long-range goal-setting, get rid of our yearly calendars and planners, or stop putting money in the college education fund? Of course not. What it does mean is that we need to change our lives, living like children of the light and illuminating the world around us with the light of the gospel. Then, on that day, when the details of our daily living become unimportant, we will be ready to find our peace and security in Christ Jesus.

CAMBIA NUESTRAS VIDAS

Las cartas de Pablo a los tesalonicenses están entre sus primeros escritos movidos por su creencia, y la creencia de la comunidad de la Iglesia joven, de que el retorno de Cristo era inminente, y que dedicar tiempo y atención a otras cosas era tontería.

Con el paso del tiempo este fervor disminuyó un poco. Hoy, cuando escuchamos sobre la llegada del fin de los tiempos, podemos preguntarnos si la tenemos que tomar en serio, si es que realmente creemos que Cristo todavía puede venir por nosotros como "un ladrón en la noche" (1 Tesalonicenses 5:2). ¿Significa esto que debemos ponerle un paro a establecer metas a largo plazo, despojarnos de nuestros calendarios y agendas anuales, dejar de ahorrar para una educación universitaria? Por supuesto que no. Lo que significa es que necesitamos cambiar nuestra vida, vivir como hijos de las luz e ir iluminando el mundo que nos rodea con la luz del Evangelio. Entonces, en aquél día, cuando los detalles de nuestra vida diaria se tornen poco importantes, estaremos listos para encontrar nuestra paz y seguridad en Cristo Jesús.

DID YOU KNOW? // ¿SABIA QUE?

Safely store and administer medications for children

During cold and flu season, many parents give their children a fever reducer, cough syrup, and other medications. These medications can help ease your children's symptoms, but if they're administered or stored improperly, they could put your children at risk. Children are far more susceptible than adults to the effects of medication, because their bodies are smaller and still developing. Even small amounts of drugs can be difficult for them to metabolize, so it's critical to follow your doctor's instructions and to closely monitor children who are old enough to administer their own medication. Make sure medications are stored properly, out of children's reach. For more information, visit https://www.nsc.org/home-safety/safety-topics/child-safety/medicine.

Guarde en un lugar seguro y administre con seguridad los medicamentos para niños

Durante la temporada de la gripe y de la influenza, muchos padres de familia les dan a sus hijos un calmante para la fiebre, jarabe para la tos y otros medicamentos. Estas medicinas pueden ayudar a aliviar los síntomas de sus hijos, pero si son administrados y guardados inapropiadamente, éstos pueden poner a sus hijos en riesgo. Los niños son mucho más susceptibles que los adultos a los efectos de los medicamentos porque sus cuerpos son más pequeños y todavía siguen en desarrollo. Aún pequeñas cantidades de drogas pueden ser inapropiadas para su metabolismo, de manera que es muy importante seguir las instrucciones del médico y monitorear muy de cerca a los niños que son lo suficientemente grandes como para tomar sus propias medicinas. Asegúrese de que los medicamentos sean guardados apropiadamente, fuera del alcance de los niños. Para obtener más información, visite https://www.nsc.org/home-safety/safety-topics/child-safety/medicine.
