The Mission of Holy Family Catholic Parish is to be a welcoming faith community grounded in Gospel values and dedicated to making God known to our members and all who enter our doors. We foster positive relationships with God and one another through active participation in the ministries of worship, education, celebration, and service to all.

Lent

First Sunday
in

As you continue your journey through Lent, you will get a stone as a reminder that "one does not live on bread alone, but on every word that comes from the mouth of God". Jesus was tempted by the devil three times during His 40 days and 40 nights in the desert, when, at last He said "Get away, Satan!" Make this your prayer and let the stone represent a burden you can lay down as you add to your Sacred Space.

On Tuesday the 7th grade class assisted Vicki & Fr. Rodel on creating this year's ashes from last year's palms.

WELCOME

We want to welcome you warmly to Holy Family!

Holy Family is a vibrant Catholic community with much to offer members of all ages. We focus on Catholic education, community service, faith formation, and youth & young adult ministries. We encourage you to find a home with us to share your time, talent and treasure!

GROWING IN FAITH

Explaining our Catholic Mass

In the coming weeks, our goal is that these thoughts give you a deeper look at what we do as we gather at Mass so that each of us can enter more fully into the Mass each week. These thoughts are a walk through our Catholic Mass — *the “Source and Summit” of our Catholic Faith!*

LITURGY OF THE WORD

INTRODUCTION to LITURGY OF THE WORD: The Liturgy of the Word is comprised of scripture readings, a homily, the profession of faith, and the prayers of the faithful. Why do we proclaim the Word of God at Mass? Every family has its story — how your parents met, or how your cousin earned a particular nickname. When we gather for the Mass, we hear our story — God’s story of His love for us — through Sacred Scripture. We tell these stories whenever we gather for the Mass because these scriptures reinforce what we believe, to whom we belong, and our relationship with others and with God.

SILENCE AND THE LITURGY OF THE WORD: As any family knows, there’s a difference between hearing and truly listening. How many family fights have been started because somebody heard but did not listen? The structure of the Liturgy of the Word lends itself not just to hearing the Word of God, but to listening. To listen, we need an active, engaged mind that is focused on the Word of God, and we need time to process what we have heard for meaning. For this reason, it’s important to make good use of the silences in between the readings. Most Americans today are scared of silence. We aren’t sure what we’ll hear when we’re quiet enough to let the Holy Spirit speak. During this season of Lent, resolve to move from a “scared” silence to a “sacred” silence, a silence that truly takes time to break down what we’ve heard and apply it to our lives as individuals. If we take time throughout the Liturgy of the Word to reflect, we are more open to that Word as we listen to the Gospel and the homily.

LITURGY OF THE WORD VOCABULARY: The Word of God is always proclaimed from the ambo. Ambo comes from a Greek word meaning “to ascend.” The ambo should only be used for either the proclamation of the Word of God or for its explanation in the homily. The ambo is not for announcements! The readings at Mass are proclaimed by a lector or reader.

OUR RESPONSE: God speaks to us so that we can know what we have to believe and what we have to do, in order to get to heaven. After each reading we say, “**Thanks be to God.**” Why do we say this? Because it is a wonderful thing that God speaks to us, that he addresses his words to us, pointing out to us the way to heaven. It is proof of his love for us. That is why we thank him. Because God speaks to us in his Word in the Bible we listen to these readings with great attention (it is always good to have prepared at home to understand them better).

- **THE FIRST READING** is always from the Old Testament except during Easter when it is from the New Testament. The first reading is always linked in some way to the Gospel. The first reading highlights the Gospel in one of many ways:
 - + To show how a prophecy in the Old Testament is fulfilled through Jesus Christ in the Gospel
 - + To make a contrast between events and personalities in the Old Testament and the Gospel
 - + To make the meaning of the Gospel more clear through giving “the rest of the story”

ENCOUNTER INNOVATION

We encounter the Singh family in India, where a mother and father are using innovative farming techniques to feed their family amidst a flood.

How is God inviting us to think outside the box in service to others this Lent?

Donations Requested for Church Blinds

Spring is just around the corner and with that comes the sunshine. When the sun is shining through the windows above the altar it can be very hard for our parishioners to see.

To combat this issue we would like to install motorized blinds. The cost is \$5000. If you would like to contribute towards the

blinds, please pick up a white CHURCH BLINDS envelope in the vestibule. You can drop off your donation in the offertory baskets or at the Parish Center. *Thank you so much for your generosity.*

"The new member class for the Junior League will be running a month-long book drive in March to benefit the Children's Book Bank with the goal of collecting 15,000 books! We are hoping to collect new and gently-used

books through 3 avenues - collection bins in the community, online giving at firstbook.fundly.com/project-branch, and tabling stations at local bookstores.

We are so excited that Holy Family Parish has agreed to house a box in the church vestibule for the month of March. A list of recommended books will be adhered to the front of the bin, however we would be happy with any children's books that you would like to donate. We also know that logistics can be a challenge, so we're happy to support book pick-ups at any location in Portland! Simply email jlpbookdonations@gmail.com, and we'll coordinate an appointment with you.

The last day to donate books or financial contributions on firstbook.fundly.com/project-branch, will be **Saturday, March 25th**. I invite you to learn more about our project by visiting www.juniorleagueofportland.org. Thank you again for all of your support! If you have any questions, please feel free to reach out to me, Kelley Brandt at kellybrandt@gmail.com.

A Catholic Culture of Life Initiative Day 721-

"Not of my flesh, nor of my bone, but still miraculously my own. Never forget for a single minute, you didn't grow in my heart, but in it."

First 1000 Days: A Catholic Culture of Life Initiative

Did you know that when Holy Family hosts a funeral we provide volunteers to staff the reception for the grieving family? We do this for every funeral that requests a reception whether they are parish-

ioners or not. These compassionate volunteers are known as **Christian Service ministry**.

Their dedication to providing this service free of charge is a testament to their faith. Often times the bereaved family will make a donation to the Christian Service as a sign of their gratitude. The donations are invested back into our parish needs.

Many of the members of this valuable ministry have been volunteering for a decade or more. They would greatly appreciate new members to assist. If you have time to donate and would enjoy being part of this wonderful, welcoming group please contact Joyce Holohan-Bell at joycekhbell@comcast.net.
