GOSPEL REFLECTION

Lk 11:1-13

Prayer was an integral part of Jesus' life and mission. He is the teacher of prayer and gives us a model of prayer. His relationship with the Father was at the core of his life and ministry. His disciples often saw Jesus in prayer. They could have had no doubt that he was in deep communion with his father. He was praying in the certainty that the Father heard him. No wonder they asked him to teach them how to pray. And how surprised that he used such simple language! So he teaches them how to have a conversation with God.

Jesus reminds us of the importance of intercession, of asking for what we need. Asking for something for ourselves does not come readily to many of us. It can be easier to ask for a favor for someone else. We know God is the giver of every good gift and will give us what is for our good.

Lord, help me to ask confidently, expectantly and joyfully for my needs and the needs of others at this time.

*"I am the Resurrection and the life", says the Lord,
"whoever believes in me will not die, but have life eternal."*

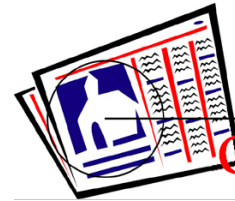

We are so excited for all of our youth parishioners who will be headed to the Steubenville Conference next week! They worked hard at their fundraisers (Parish BBQ & Bowl-a-thon) and have raised an impressive amount of money to put toward their trip.

On behalf of the entire team going—THANK YOU!
Thank you for all the generous donations and pledges.
Holy Family is such a generous community!

*Lord,
We pray for the health and safety of all of our teens and staff.
Please protect them all on the journey they are about to take.
Help them to be mindful of Your presence and love always.
