The 4th Sunday in Lent—March 10, 2024

4TH SUNDAY OF LENT

For everyone who does wicked things hates the light and does not come toward the light, so that his works might not be exposed. But whoever lives the truth comes to the light, so that his works may be clearly seen as done in God. - Jn 3:20-21

Why do we do that?

Catholic Life Explained

Question:

What's the difference between priests and brothers, friars, etc.?

Answer:

The distinctions titles and categories used for priests and the male members of religious communities can be confusing, especially since the categories can sometimes be intertwined as a man can be both a priest and a monk, or a brother and a friar. So, to help to piece the puzzle together, it's important to begin by noting some basic distinctions:

The distinction between priests (who are ordained for sacramental ministry) and brothers (who are non-ordained members of religious communities and who are committed to lives of prayer and service).

Priests: A priest is a man who has been ordained for sacramental ministry and these fall into two categories: A) Diocesan (or Secular) Priests can either be attached to a diocese and who serve under a bishop. Their ministry is usually oriented toward pastoral service. B) Religious Priests are members of religious communities (like the Franciscans, Jesuits, Salvatorians, or Carmelites) and their lives are guided by the special mission and charism of their community. While both kinds of priest practice sacramental ministry, their spirituality and how they live out their priesthood can be very different.

Brothers: Brothers are non-ordained members of religious communities (such as those mentioned above) who live lives committed to prayer and service. Religious priests and brothers serve together in their communities and their ministries include much more than the care of parishes.

Monks, Friars, and Canons: These are broad categories that include religious priests and brothers, and each of these is connected to specific ways of life and spiritualities.

THANK YOU FROM SVDP!

Last week Holy Family Catholic School 8th Middle School students came to the St. Vincent de Paul Food Pantry bearing boxes and boxes of canned goods they collected for their Souper Bowl. In all, 318 pounds of food were collected and donated. They saw the Pantry and a little bit about how the Pantry works. Thank you to Mrs. Monika Tuckness and all her students!

A job well done!

Many thanks to Holy Family School for all its support of SVDP throughout the year.

We cannot thank the entire parish enough for all you have done for our conference this past year - may God bless you for all that you do for others!!

A teacher / parishioner's perspective about the Capital Campaign:

HONORING OUR PAST
HOLY FAMILY PARISH
BUILDING OUR FUTURE

I started attending Holy Family Church when I moved to the neighborhood in 2014. As a young adult, I dabbled between multiple parishes, but always felt welcome at Holy Family. My goddaughter was baptized here, and I fell in love with the small, close-knit community. I got to know several of the teachers (Mrs. Massini, Mrs. DeFrancia, Mrs. Cochran) through archdiocesan teacher workdays, and decided I really wanted to teach at Holy Family someday.

I became a parishioner, our wedding was blessed at Holy Family during Covid, and my daughter was baptized here. This is my third-year teaching Middle School at Holy Family. I was privileged to work with "the greats" like Mrs. Dickinson and Mrs. Richard, and deeply feel that it's my vocation to continue the legacy they began. Those of you who have gotten to know me understand how passionate I am about the needs of Holy Family, and our dreams and desired funding to continue to build us up and maintain a competitive, marketable status in our community; we want a top-notch educational program focused on the Catholic faith, built with a strong partnership between parents and teachers. However, I also believe in this Capital Campaign. What's good for the parish IS good for the school – and vice versa. ADA accessibility would be wonderful, especially as we restart traditions like Circle of Life and strengthen our Prayer Partner program.

GOALS

\$4,000,000
Miracle Goal

Also install a
school elevator.

\$3,000,000
Challenge Goal

Also add air conditioning
to the school, including the
gym and Celebration Hall.

\$2,000,000
Minimum Goal

Build the new Parish Office
and Welcome Center.

A new HVAC system would be a dream come true - it is incredibly hard to teach when students and teachers are uncomfortable. I invite you to join me in making a pledge to the Capital Campaign. It might not be big, but anything you can contribute will be meaningful. We'll still be fundraising in a variety of ways over the coming years for the other things that will make Holy Family great - and help us keep our budget balanced, but please also consider what you might give to this specific effort. To all of the families that have been here years - and decades - longer than me, I say THANK YOU. Thank you for your tireless work to support our school and parish. Thank you especially to the Dauler, Faherty, Heichelbech, Khaw, Kullberg, Lukowicz, May, Morales-Cortez, Rask, and Woldrich families who have spent many years as part of this community. As your children graduate this June, please know that we will be continuing the work you started.

~Monika Tuckness, current teacher, future HFCS parent

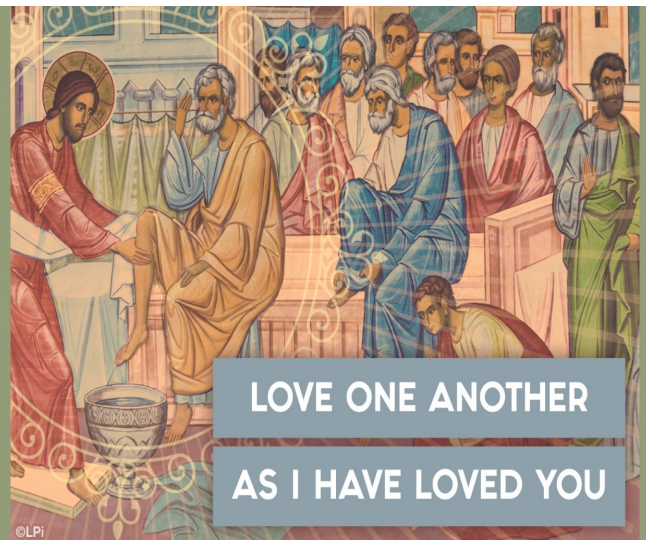

This is Commitment Weekend, the culminating point of our “Honoring Our Past – Building Our Future” campaign. Today, or sometime soon, someone will be calling on those who’ve yet to make their campaign gift commitment and ask you to please make your gift commitment then. We realize that everyone is blessed with different gifts and hope you realize that everyone’s gift will make a substantial difference. So please plan to “do your part” and make the very best gift commitment you can. And, if you’d like to save us a trip or call to your home later, please make your gift at services this weekend, which everyone will have the opportunity to do.
