**Parish Representative, Becky Schuster:**

- Access obtained from previous years Survey Monkey.
  - Probably will want to change the survey questions.
  - Would like to create a generic email address so that this survey monkey account isn't linked to a personal email account as it has been in the past.  
Stvab513@gmail.com or [STVAthleticboosters1@gmail.com](mailto:STVAthleticboosters1@gmail.com) Does anyone have a preference as to which generic email address to use?
- Discussed this role and this importance of support it provides.
- Covid 19 policy still in effect and posted on website. We should address the covid 19 policy prior to Fall sports season.

**Concessions, Aaron Heller:**

- restock and cleaning- New commercial grade vacuum cleaner purchased and in server.
- Currently shut down.

Next board meeting Tuesday Aug 2nd pending board availability.
