

St. Albert Nutrition Service

St. Albert Nutrition Service offers a variety of additional items available for students to purchase. These items are “Smart Snack” compliant, and the nutritional values must adhere to national standards. Smart Snack is a practical, evidence-based nutrition standard for snacks and beverages sold in schools. These items are made with whole grains, are reduced fat and also have limits on fat, sugar, sodium, and calorie content. We also offer a variety of beverages that students can purchase. All beverages follow the Smart Snack program and are 100% fruit or vegetable juice diluted with water, with or without carbonation, and with no added sweeteners. If you would like to learn more about the Smart Snack program, please visit <https://www.fns.usda.gov/tn/guide-smart-snacks-school> for more information.
