1. *Enrolling a new K-8 sibling?* No.
2. *Increase in income?* No.
3. *Decrease in income?* Optional, but suggested if you would receive a new Federal Poverty Level (FPL) % and higher scholarship amount.
4. *New baby? Household member over 18?* Optional, but suggested if additional household members yield a higher FPL%.
5. *FPL at or below 200% in 2023-24?* Yes.

**Want to make the most of your EdChoice Scholarship? The State of Ohio uses updated Federal Poverty Levels (FPL) annually to account for inflation each year.**

1. Visit [CatholicBestChoice.org](https://CatholicBestChoice.org) to calculate your scholarship for the 2024-2025 school year. Use the following options to calculate award amounts:  
Option 1: Use your **2022** Tax AGI (line 11 on your income tax return) to calculate your scholarship award until **April 15, 2024**.  
Option 2: Use your 2023 Tax AGI to calculate your scholarship award.  
Option 3: Keep your 2023-2024 FPL% and do not reverify your income.
2. Compare your estimated scholarship awards based on the three options above to determine if it is beneficial to reverify income.
