The Purple Hands Pledge®

Hands & Words Are Not For Hurting Project®

Can you imagine our world without violence or abuse? A world where all are treated with dignity and respect? Our world could be such a place if we all committed themselves to a simple pledge:

“I will not use my hands or my words for hurting myself or others.”®

The words of the pledge serve as a reminder to us to treat ourselves and others with dignity and respect.

Recognizing that all people are created in God’s image, tools like the pledge can help guide our actions so that every interaction reveals the love of Christ to others.

Such simple words can be understood by all, and can create a shared vocabulary that bridges all ages, cultures, and backgrounds.

Be the change you want to see in the world... Take the pledge and look forward to our world with no more violence...no more abuse... no more bullying... no more harassment...no more assault... no more hurt.....
