

First Grade Summer Project

Dear incoming first grade families,

To help us prepare for first grade, I am asking students to complete the following assignments over the summer:

Math: Review Packet

Please complete one page per week over the summer.

Reading: Book Report

Please read the story, "How To Heal A Broken Wing" by Bob Graham.

If you don't have the book you can borrow it from the library or watch a read aloud on YouTube.

After reading the book students should fill out the book report worksheet to include:

- Answer the following writing prompt. "The main character of the story acted like Jesus when..."
- Draw a picture of Will (the main character) doing something that matches your sentence.

Have a safe and fun summer,

~Mrs. Raynor
