

A vibrant, colorful poster for Hispanic Heritage Month Celebration. The background is filled with festive decorations including colorful paper flags (papel picado) at the top, a girl in a traditional Mexican dress on the left, and a boy in a sombrero playing a guitar on the right. The title 'HISPANIC HERITAGE MONTH CELEBRATION' is prominently displayed in the center. Below the title, event details are provided in a light blue box. A pink banner encourages parents to see their children's work. The 'Featured by Grade' section lists projects for each grade level. At the bottom, a red banner celebrates the students' hard work, creativity, and faith, accompanied by a globe, flowers, and a book with a cross.
