Our Commitment to Service is coming to a close as the end of the school year approaches. At Back to School Night, in the Summer mailing Packet, and on our web site, we explain our Commitment to Service Program. All parents are expected to volunteer for 30 hours or pay \$300. Please record your volunteer hours from this year using this link:

Those who do not complete the required hours are asked to submit their payments to the finance office by May 31st. If you completed 30 hours, your balance is zero. If you were unable to complete your hours, please send a check for \$300. For partial hours the payment includes a fee of \$10 per hour for hours not completed. Thank you in advance to ALL our SEAS volunteers and those of you sending in your payments.

The Commitment to Service Program was put in place to help us meet our \$100,000 SPIRIT Fundraising goal! We are almost there! - Thank you!!!!

Nassau County Police always helps us cross Sunrise Highway for class trips and we are always grateful. See attached for Crossing Guard opportunities.

TRUST IN GOD, Self, Others and SEAS!
