February 2024

Dear Parents,

We are approaching the end of the second trimester. This letter is to inform you that the students in the 7th and 8th grade will take trimester exams early next month.

The schedule of the trimesters is as follows:

Grade 7 Second Trimester

Monday, March 4	Rel,
Tuesday, March 5	Sci
Wednesday March 6	SS
Thursday, March 7	ELA, Spanish
Friday, March 8	Math, Health

Grade 8: Second Trimester

Monday, March 4	SS, Spanish
Tuesday, March 5	Math
Wednesday, March 6	ELA, Health
Thursday, March 7	Religion,
Friday, March 8	Algebra, Science

It is important that the students have the opportunity to review the concepts and skills that they learned over the last few months. Additionally, it is important that the students begin the process of learning how to study for a final exam. Teachers will provide study sheets that will be posted on their class pages by Thursday February 15, 2024, some class time will be devoted to review, and extra help opportunities will be available before and after school. *Students are encouraged to set a study schedule for themselves.* The research says that students learn best when they study a little each day, rather than “cram” the night before the test.

For your information, the Parent Portal will be closed from Friday, March 8 until Wednesday, March 20. Report cards will be accessible via the Parent Portal at 4PM on Wednesday, March 20; parent conferences will be held by appointment on Thursday, March 21.

Thank you for your support and cooperation.

Sincerely,

Peg Augello
Principal
