

**Interested in learning how to play Chess?**  
**or**  
**Just want to improve your Chess skills?**

*Chess has been clinically proven to help students improve grades, concentrate, and develop critical thinking skills!*

Our Lady of Victory School is offering an after-school Chess Program run by Central NY Chess! We are a registered Non-Profit Educational Charity and official local affiliate of the US Chess Federation. We are on a mission to teach logic, reasoning, and critical thinking skills through scholastic chess. Not only will students play chess, they will also receive top-notch instruction from our professional chess coaches! Our program includes weekly instruction followed by organized play. Students will learn winning strategies and tactics that they can use in their games. We will also be running an in-class tournament with prizes! We hope to see you there!

The cost of this program is \$145 for ten weeks of chess. **Classes will be held after school on Tuesdays from 2:30-3:30 PM for Grades 3-5 and Wednesdays from 2:45-3:45 PM for Grades 6-8** at Our Lady of Victory School starting on September 30 until December 16, skipping Veterans' Day (11/11 Tuesday group only) & the week of Thanksgiving (both groups). If interested in registering for this program please fill out the form below and return to the school office by Monday September 29th. **Returning students can expect more focus on strategy & tactics!**

-----  
 YES, I would like my son/daughter to participate in the Central NY Chess School Program at Our Lady of Victory School.
