Dear Parents,

The first session of our After School Club Program registration has begun.

The Fall Club Session will begin during the week of September 28th and conclude during the week of December 7th; some clubs may meet the week of December 14th for make ups. Once again, the students are invited to join any club they wish. All clubs need to have at least 10 students registered to go forward. Please refer to the updated club brochure that is posted on the school website for a listing of the club offerings for this Session. You can view the brochure "clubs" in the "Quick Links" on our school webpage.

The fee will be \$35 per student per club for most clubs. The fee is collected to help defray the cost of the club and includes some compensation for the teachers who have agreed to moderate the club. Please note that there may be additional fees for some clubs, for example, the Cooking Club. We will invoice the fees through your FACTS account. Details are in the brochure.

All students will be dismissed at the front door on Bellmore Street at the end of the club meeting. Parents should meet their children there.

Registration begins today and will close on September 25, 2026.

Sincerely,
Ryan Fedak
Principal
