

Optional Summer Reading Assignment for Students Entering Second Grade

Students entering second grade will have two options to complete their summer reading assignment. The first option is to complete the attached reading log. If you choose this option, you must read for 30 minutes each week for 9 weeks during the summer and record it. The second option is to complete the attached story map. Should you choose this option, please color your drawing with crayons or colored pencils.

Sincerely,

The Second Grade Teachers

Option 1 - Summer Reading Log for Students Entering Second Grade Directions:

- Students are to read for at least 1/2 hour each week.
- Parent records the time spent reading each week, book title, and signs each box.
- Students need to read 9 out of 10 weeks. Mark an X in the box for any weeks during which the student did not read.
