Treasury Report

We plan financially to go on vacation, we plan financially for the education of our children, we make financial plans for our retirement; do we plan financially to support God's work in our parish community? In gratitude for the gifts we receive from God, 33% of our registered families and those visiting made a joyful return to the Lord to assist in the support of God's work in our parish community. Let's increase this participation to 100%.
