Prepackaged School Supplies 2020-21

May 31, 2020

Dear Parents,

The HSA is offering you the opportunity to conveniently purchase prepackaged school supplies for the 2020-2021 academic year. During this transitional time, many families may find it beneficial to simplify back-to-school shopping and secure supplies early. The HSA has teamed up again with SchoolKidz, a company we have worked with for a decade. The supplies your child will need for next year are featured on the School Kidz website (www.shoptkits.com). In addition, there are backpacks and other accessories available to order.

Some important changes this year:

1. **ONLINE ORDERING ONLY.** We will no longer be accepting paper orders.
2. **HOME DELIVERY ONLY.** Parents will place their online order and have the supply kits be mailed directly to their shipping address of choice.

If you're interested in taking advantage of this opportunity, simply go to www.shoptkits.com and enter the account number 20003.

Deadlines and Reminders:

The deadline for submitting orders online is no later than **Sunday, June 21, 2020.**

ABSOLUTELY NO ORDERS CAN BE SUBMITTED AFTER THIS DEADLINE

When selecting your kit, please be sure to choose the correct grade. For example, if your child is currently in the 1st grade, you will need to order supplies for 2nd grade.

Supplies are scheduled to arrive in mid-August you'll be notified when your items ship. **IT IS IMPORTANT TO CHECK YOUR ORDER IMMEDIATELY AND REPORT ANY MISSING, MISTAKEN OR DAMAGED ITEMS TO THE SCHOOL KIDZ CUSTOMER SERVICE DEPARTMENT AS SOON AS POSSIBLE AFTER DELIVERY.** The company is excellent about replacing items but give yourself time to do so before the start of school.

If you have any questions, please contact Tina O'Keeffe, our HSA School Supply Chairperson via hsa@stannesgcschool.org.
