

SAINT ANNE'S SCHOOL

SACRAMENTS SERVICE SAINTS SPIRIT SCHOLARSHIP

Dear Parents, Faculty and Staff,

It is a unique privilege to serve students and families through Catholic education. Service within our school can be viewed in many ways. It is the service of our teachers to the school community, the service of our families in providing for their children, and it is the way our students learn to serve others. This spirit of service is alive at Saint Anne's Parish School, as students learn the importance of the service they give to others. This is a reflection of the foundation provided by their families; for a student to understand that the service they give can change the world. Students who are a part of Catholic education are more likely to demonstrate service through volunteering and community engagement and are also more likely to show their love of others, with an increased openness to differences and embracing of others.

Our school is blessed with families who make the sacrifice to send their children to Saint Anne's Parish School. This is not always an easy decision, the gift of sending a child is providing them with a foundation for life through faith, academic excellence, and service; qualities we see reflected in our school.

Thank you for your continued faith in the mission of Catholic education and for entrusting the most precious gift into our school, your children. Registration for the upcoming school year will begin this week, an email with detailed information will be shared shortly.

Pictured below and on the next page are some highlights from our Catholic Schools Week festivities, more will be shared in the coming weeks.
