Dear Saint Anne's Family,

**Oh, when the saints go
marchin' in...**

Our Saints Parade

On November 3rd, All Saints Day, the first grade students at Saint Anne's School marched throughout auditorium dressed as the saint of their choice in the annual Saints Parade, a school tradition.

For decades, families, friends and fellow students have gathered together at St. Anne's to hear about the lives of the saints from the first grade students. The "saints" entered to the song "When the Saints Go Marchin' In" and one at a time, each "saint" recited important facts and information about their lives. In order to prepare for this special day, each student memorized a number of important facts about the saints they were going to portray. The first graders practiced and rehearsed at home and in school with help from both their parents and teachers. A special thank you to the first grade teachers, Mrs. Jennifer Scalise and Ms. Julianna Sandman, Mrs. Marianne Huggard, their religion teacher and their music teacher, Mr. Tim Brown, for making the 2025 Saints Parade such a memorable event.

A CELEBRATION OF VETERANS

On Thursday, we held a student-lead celebration of veterans from our parish and school community. Following a procession of our veterans led by our scout flag bearers, students presented on the history of Veterans Day, the significance of Taps, a brief history of the branches of the military, and the difference between Veterans Day and Memorial Day. Each of the veterans had their names called, recognizing their rank and branch of the service, as the student choir performed America the Beautiful and God Bless America. Father Joe Catafago offered an opening prayer for the veterans from across the parish and within our school community.
