SACRAMENTS SERVICE SAINTS SPIRIT SCHOLARSHIP

August 1, 2025

Dear Saint Anne's Family,

We hope you're enjoying a beautiful summer—soaking up the sunshine, making memories with loved ones, and taking some well-deserved time to relax and recharge!

Here at Saint Anne's, it brings us so much joy to watch our students grow—not just in the classroom, but as kind, confident individuals shaped by our shared Catholic values. As always, we're dedicated to creating a nurturing environment where every child can thrive academically, emotionally, and spiritually.

As we look ahead to the new school year, our incredible faculty and staff are hard at work preparing to welcome everyone back. We're excited to continue building a strong, faith-filled community where compassion, learning, and personal growth go hand in hand.

We encourage you to make the most of these last few weeks of summer—whether that means exploring a new hobby, enjoying nature, or simply slowing down and spending time with those you love. A balanced life helps fuel both the mind and the spirit!

As we gear up for a fresh new year, we're also thrilled about what's ahead with our amazing Home School Association. The HSA is already planning fun events, helpful programs, and meaningful ways for families to get involved. If you haven't already, we warmly invite you to join the HSA and consider volunteering—it's a wonderful way to connect, give back, and help make Saint Anne's an even more special place for our children.

Dr. Fasano, the Faculty, Staff and I can't wait to see you soon, rested and ready for another exciting year of learning, growing, and sharing in the Saint Anne's spirit together.

With warmest regards,

Ann-Marie Zino

Parent Student Handbook

We ask that each family read the Saint Anne's School Student Handbook together with their children. The regulations that appear in this handbook are promulgated to help cover any of the many possible occurrences in the behavior of students in an N-8 elementary school. The School Administration and the Pastor believe that students and parents must be clear on what is expected of students at all age levels and at all times. It is in this clarity that a school can function professionally and not in any arbitrary and capricious manner.

HSA Dues

Each year the HSA asks families to pay dues (\$50 per family). The annual dues collected at the beginning of the school year make it possible for the HSA to get ahead of planning for things like our school lunch program, enrichment program and many of the fun and exciting activities that your children benefit from throughout the year. We encourage you to submit them as soon as possible! We thank you again for your support!

You can conveniently pay your dues online at our [HSA Online Store](#).

This year the first class to have 100% paid HSA dues will receive a pizza party!

Email hsa@stannesgcschool.org to learn how you can be involved!
