Dear Saint Anne's Family,

Our 6th and 7th graders went on a field trip to United Skates. The STEM lessons focus on hands-on activities that are both educational and fun! The STEM lesson plans follow Next Generation and state-level curriculum standards that relate back to classroom learning making this STEM program completely unique! Following the completion of the one-hour STEM lesson, the students roller skate for physical fitness. While roller skating, the concepts students learned are continually reinforced.

*Congratulations to our Honor Band students who performed last weekend at St. Anthony's HS.
Pictured below, select highlights.*

*This past Friday Daisy Troop 1175 had a special meeting — a bake-off judged by Father Joe!
We also had the pleasure of fellow 1st grade mom, Vincenza Caughlin, and parishioner Barbara Hausner, teach the girls some life saving skills.*
