

March 31st, 2026

Dear St. Anne's Families:

As Holy Week is now upon us and the weather has finally become more Springlike, I think of so many wonderful things that have occurred, as well as those still yet to come here at St. Anne's. We began our Lenten journey celebrating school-wide Mass with the Vicar General of our Diocese on February 25th, and all of our students in grades 3 through 8 have engaged in the Sacrament of Reconciliation throughout Lent.

Our Marching Band participated in the Mineola-Garden City St. Patrick's Day Parade on March 1st. Our students put on a wonderful performance of "High School Musical" several weeks ago. Our sixth graders researched and presented their "Living Legends" on March 24th. Our second graders are preparing and anxiously awaiting receiving First Holy Communion in a few weeks. Our fifth graders are preparing for their trip to Commerce Plaza on April 17th. Our Aquinas Science Research Teams are preparing for the Aquinas Expo at Holy Trinity High School on May 1st. It is clear that our students and their teachers have been and remain very busy as the year seems to be flying by.

We are planning an "Early Childhood Parent Social" to give all the parents of our Nursery, Pre-K, and Kindergarten classes the opportunity to meet with one another, to socialize and share experiences while meeting with our wonderful teachers across the program. Our HSA continues to run fun family events that foster our strong sense of community. Of course, our 8th graders, who will soon have their eyes set on the high school horizon, look to complete their coursework and enjoy all of their end-of-year activities celebrating their years together at St. Anne's School.

As always, I encourage you to read the "SAS Weekly" that Mrs. Zino publishes and emails every Sunday morning, which serves as a window into our school, and keeps everyone informed of all upcoming events.

Finally, on behalf of Mrs. Zino, and the entire faculty and staff of St. Anne's School, I wish you and your families a very blessed Easter and a relaxing Spring break!

Respectfully,

Dr. Thomas J. Fasano
Principal
