Dear Saint Anne's Family,

The Fifth Grade takes on Commerce Plaza!

On Friday, April 17th, our fifth graders took an exciting trip to Commerce Plaza! During this immersive business simulation, each student took on a real-world role, ranging from bankers and bookkeepers to scientists, doctors, managers, and even the town president. In addition to carrying out their job responsibilities with focus and enthusiasm, students practiced valuable financial skills like budgeting, writing checks, and making purchases at various shops around the town. Items like snacks, bouncy balls, and pencils made the experience even more fun and rewarding.

**Girls Middle School Volleyball Update
(As shared during the Morning Announcements)**

Our lady Guardians competed in the first volleyball game of this spring season against St. Joseph's and dominated from beginning to end. It's hard not to acknowledge every girl as they all played well although there were a couple that stuck out by how they controlled the game. Reagan, Joelle and Summer were ball magnets as they seemed to always be at the right place at the right time. Dylan and Grace were effective in so many ways on the court but what stuck out is their leadership along with the confidence they supply to everyone around them. Ella and Emily were absolutely locked in, played with top notch energy and were basically unstoppable by the other team. They followed that win with a second win on Monday to beat Notre Dame. Summer started the game on fire scoring on her first 12 serves. This afternoon the girls head to Our Lady of Victory to continue the streak. Go Guardians!
