First Reconciliation

I am so proud of the children for preparing to receive the sacrament of First Reconciliation. Most of our students have participated in the sacrament, and some have recently been baptized. Students not participating in the sacraments know that they can talk to God and ask for forgiveness at any time. May God Bless them all!

Homework

Students should be reading at home everyday. Please refer to the Winter Reading Bingo in your child's folder for ideas and have your child color in the space for each completed activity. **This Friday is the last day to submit the Bingo Board.**

Please keep track of the pages that your child reads each night on the Reading Log, and send it to school on Fridays. Thank you!
