Homily and Appeal for the 16th Sunday in Ordinary Time Year A By Bishop Martin of the Diocese of Karonga Malawi, Africa

Weeds alongside wheat

The gospel text of today speaks about weeds that grow alongside the wheat. Even when the good seed is planted by the good sower, the realities of earthly existence allow the weeds also to be planted and to grow and thrive alongside the wheat. The weeds can choke the wheat and stop its growth. The wheat can also grow to its maturity within the weeds; waiting for the promised harvest.

We who are the children of God are the wheat. At the same time, our shortfalls, our pride, selfishness, greed, as well as the many forces and agents of the Evil One in our world and communities are the weeds. As we live and grow in the grace of God, that growth promised to us at our baptism, we are constantly thwarted, held back, bent over and sometimes choked, by the weeds of the time.

But in the gospel text, Jesus assures us that the promises of God are sure. Jesus echoes the word from God to the prophets that we need not fear; God's care is for us certain. The weeds cannot stop us. We are called to grow into the grace of eternity. And so we stretch always to the sunshine, lifting our heads to God's promised growth. With full trust in the promised harvest of eternity, we live in this weed-choked world, confident in our growth in God's unchanging grace.

Rather than being discouraged or overcome by all the weeds around and within us we ask for the grace of:

Distinguishing right from wrong like the one given to Solomon.

Seeing the worthiness of sacrificing everything to possess and experience the Kingdom's blessings.

Seeing the importance of making choices that align with God's righteousness and the consequences of rejecting the Kingdom.

May the Blessed Virgin Mary intercede for us that we may be totally open to the word of God at all times.

Appeal:

Regarding the second collection I very humbly appeal to each one of you to contribute generously. As a Diocese we have three priority areas for its use. And they are:

Children village: We keep close to 200 abandoned and orphaned children who have nobody to look after them in any way. These very vulnerable children depend on Karonga Diocese for everything: food, shelter, clothing, education and the rest.

Fees for seminarians: We have been blessed with 28 major seminarians for which we are very grateful. Unfortunately, we cannot manage to keep all them in the Seminary for the coming formation year. We need \$41,000 to keep them in the seminary for the 2023-2024 formation year. The said amount is too big for us to raise locally. If we don't get any extra help we will have to send away some of the seminarians or ask them to wait at home for a couple of years.

Catechism Lessons for Children: We have 32,000 children between the age of 6 and 14 across the Diocese who need catechetical lessons to prepare for baptism, first communion and confirmation. There is urgent need for teaching materials and training catechists who will give lessons to the children. This is a very essential ministry in very way.

In view of all the three key needs highlighted above I kindly appeal to you help us. And I thank you in advance for your generosity. Not to remain in the position of depending on outside help forever, we have started a coffee and macadamia farm (Chipunga Farms Ltd.) which we would like to manage on a commercial basis. The assistance we need from here is technical assistance and establishing links with potential markets here in the USA. Once again, may the Blessed Virgin Mary intercede for us that we may be totally open to the word of God at all times.
Amen.

Amen.

TUESDAY ROSARY — Join us on July 25 at 6:30pm, at the Saint Louise Church site when our parish **Ladies of Charity** will lead us in praying for our parish intentions and for Pope Francis' intention for the month of July: we pray that Catholics may place the celebration of the Eucharist at the heart of their lives, transforming human relationships in a very deep way and opening to the encounter with God and all their brothers and sisters. Come to place your personal needs and those of our community and Church before the Lord, through the intercession of the Blessed Mother.

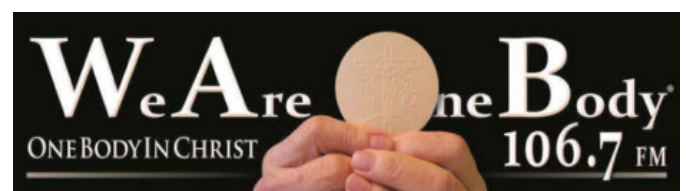

NOCTURNAL ADORATION

Be one with Jesus in Eucharistic Adoration

Come, experience Jesus' physical presence in the late watches of the night, reciting the very Psalms He prayed, "as was his custom." Dare to bring yourself deeper into the mystery of His presence, being led by the writings of our early Church Fathers and caught up in the history of Israel whose events prefigure this Bread of Angels. This is the heart of Nocturnal Adoration and members of this society are called "Nocturnal Adorers."

You are welcome to join our parish adorers beginning at 10:00pm on **Friday, August 4**

SPECIAL COLLECTION

MISSION APPEAL—JULY 22/23: Malawi, a country in southeastern Africa, is typically ranked as one of the poorest countries in the world. In 2022, the average family income in Malawi was \$640. Northern Malawi is the poor section of the country, so their average family income was probably under \$500 for the year. There is almost no industry in Northern Malawi. The people there grow what they eat and eat what they grow. Since they are below the equator, their seasons are opposite ours. This past summer for them was a difficult one that had drought conditions followed by Tropical Storm Freddy that created a national tragedy for the country.

Next weekend, July 22/23 at our Masses we will hear a letter written to our parish from Bishop Martin Mtumbuka of the Karonga Diocese in Northern Malawi and have the opportunity to support the people living in his diocese. Thank you in advance for your generosity in prayer and financial support for the people of the Diocese of Karonga and all mission territories throughout the world.

PARISH NURSE MINISTRY

Vitamins and Supplements—Are they Needed?

Television and social media push these products for just about everything! The ads sound enticing but often these are high priced, excellently marketed products promoting unnecessary supplements. When considering supplementing, be aware- not everyone requires or benefits from them.

A well-balanced diet including fruits, vegetables, protein (meat-fish-legumes) for at least one meal daily generally provides adequate amounts. However, vegetarian diets, consuming less than 1200 calories daily, a medical or intestinal disorder or an alcohol disorder may require the addition of supplemental vitamins. Your body may be unable to metabolize the nutrients you're consuming.

More is not better as it is possible to take too high of a dose and cause complications. If one is only taking a multivitamin daily the chance of over doing it is minimal. Determine first if you are deficient in vitamins or minerals. Then proceed to correct the deficiency.

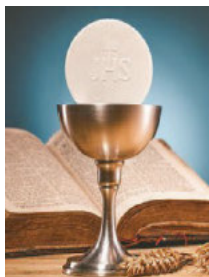

Amen to Action Volunteers:

Thank you for your attempts to sign up for this year's food packing event at St. Louise on Saturday, November 11. As many of already know, the website was not functioning properly for the July 1 registration start date, and your efforts to volunteer at St. Louise were

not successful. The good news is that the problem has been corrected and you are now able to go forward with your volunteer sign in.

For those who are still planning to sign up but haven't yet done so, you can go to the Amen to Action website at: <https://amentoaction.org/volunteer/> Your service to our community is truly appreciated!

Anyone wishing to take up the gifts during Mass at Saint Joan of Arc Church, please let the ushers know before Mass.

“COMFORT THE MOURNING”

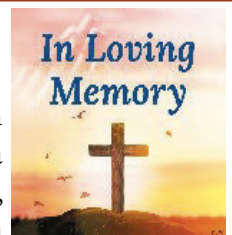

In the Order of Christian Funerals, we read: When a member of Christ's body dies, the faithful are called to a ministry of consolation to those who have suffered a loss of one they love. They are called to “comfort the mourning.” It is within this call to “comfort the mourning” that Saint Catherine Labouré Parish is launching a new ministry, that of **Funeral Liturgy Planner**.

In this role, **Funeral Liturgy Planners** meet and assist families in preparing the Mass of Christian Burial that honors their loved one.

Their duties include:

1. Offering condolences and the prayers on behalf of Saint Catherine Labouré Parish Family.
2. Assisting families fill out the Saint Catherine Labouré Parish Funeral Liturgy Planning Guide and then passing that along to the appropriate staff.
3. Attending the funeral Mass to greet, seat the deceased family members and guide the readers and gift bearers during the funeral Mass.

For more information on becoming a **Funeral Liturgy Planner**, please contact: Marcella Lantzman (mlantzman@scplphg.org) or Deacon Rick Cessar (rcessar@scplphg.org) or by calling 412-833-1010.

PASTORAL PLANNING—ENVISIONING TEAM AND PURPOSE

An essential step before beginning a pastoral plan is to establish a parish Envisioning Team consisting of five to seven members. This team will assist Father Jeff with analyzing the results of the Disciple Maker Index Survey and in the creation of a pastoral plan. A pastoral plan lays the path for how best the parish is going to achieve its mission and lead parishioners in furthering our call to Jesus and our ability to lead others to Jesus.

The Church teaches that the purpose of the parish is to proclaim the Gospel, celebrate the Sacraments, and promote works of charity all directed towards the salvation of souls. The process of pastoral planning will allow us to bring this purpose to life as we strive to live out the mission entrusted to the Church by Christ: "Go into the whole world and proclaim the Good News to all of creation". (Mark 16:15).

Please note: the parish will be using the Virtual Track (not Self Directed as previously stated) receiving four individualized virtual tutorials from Catholic Leadership Institute that assist parishes with understanding the DMI results and creating a pastoral plan with priorities and goals. In this track, parishes will be responsible for creating their own implementation strategies.

As a reminder, in order to give ample time for all parishes to prepare for the distribution of DMI results and to ensure that all parishes are receiving information in a consistent manner, a universal distribution date for DMI results has been established for the weekend of August 19/20, 2023. All parishes in the diocese will use a common template to publish their individual results. The weekend of August 26/27, 2023 aggregate results for the entire diocese will be published in parish bulletins.
