VOLUNTEERING...

All of our children participate in programs that rely on parent volunteers and ours is no different. Our program functions because of many wonderful volunteers. While, training is required to volunteer as a CGS catechist. Filling the need of CGS Atrium aides is a great way to support the program and learn about training. CGS also needs help with making the "work" materials and other supplies. Please let us know if you'd like to volunteer for this ministry!
