

i-Ready Summer Assignment
2025

Dear OLP Middle School Families,

What a year we had learning and growing our math skills! In order to keep our knowledge of math flourishing, all students are required to complete 10 i-Ready lessons over the summer. Each student has a particular pathway that they will continue to progress with. We ask that you complete the table below, and hand it in to the math teacher the first week of school. All lessons must be completed by August 14, and you must receive a score of at least 75% in order to get credit. I-Ready will close on August 14.
