

WELCOME

I am Mrs. Stevenson and I will be your child's teacher this year! I am very blessed to be a part of the SSPJ school family and am looking forward to an amazing school year! I want to assure you that I will work hard to make sure your child has a fun and exciting school year!

The first day of school is an exciting milestone in your child's life. It is important to help your child have a smooth transition into this new life experience. Setting routines in the morning, establishing drop-off/pick-up routines, and approaching the new changes with a positive attitude are some of the ways to help your child transition into the routine of attending school. In the classroom, I will promote a positive and safe environment for your child to learn so they can have an engaging and enriching experience.

Please see all the enclosed materials in this folder for everything you need to know about Nursery. If you have any questions, please feel free to reach out to me and I will be happy to help!
