Faith Life

Holy Family School is a faith driven community where prayer is woven into many aspects of the school day. Kindergarten through 8th grade gather in the gym to complete each day by praying together as one Holy Family. Our religion is more than a content area; it is a way of life. Our children **LEARN** about their faith, **CELEBRATE** the Mass and Sacraments, **CHOOSE** to show love and respect, **PRAY** every day, **SHARE** faith with others and **LIVE** out their faith. Holy Family School is a community of faith, knowledge, and service where we make a difference, one child at a time.

The value of **learning**. The learning of **values**.
