

Holy Family School

"Making a difference, one child at a time"

Pre-Kindergarten

It is the goal and primary focus of the Holy Family School Pre-K program to engage your child with all the tools necessary to build a foundation for a successful step in his or her educational future. Your child will not only learn the skills necessary to excel academically, but will also develop socially in a positive and engaging environment.

At a level comfortable for 4 year-old children, our program follows the Next Generation Learning Standards and includes:

- Thinking skills
- Reading and Math Readiness
- Physical and Social Development
- Language Development
- Music
- Religion
- Science and Social Studies Activities
- Socialization Skills
- Fine and Gross Motor Skills
- Smart Board Activities
- STREAM (Science, Technology, Religion, Engineering, Art, and Mathematics) integration
