

Christmas Boutique Shopping List

Please circle and/or fill in the names of the people your child will be shopping for at the boutique on Wednesday, December 7th. Your child should bring this form with them the day of the boutique. This list will help us to assist your child in picking out the perfect gifts. Nursery and Pre-K parents can shop with their children from 8:00am to 8:30am in the cafeteria. We will have volunteers at the event to help the grades/children make good choices. To help you determine how much money you should send in with your child, please keep in mind the price of the items range from \$2 to \$8, with an average price of \$3 to \$6. We will be accepting cash and checks made payable to Holy Family School.
