

Holy Family School

2nd Grade Summer Assignment

Dear Families,

In preparation for your child's arrival into Second Grade, I have assigned each student 6 i-Ready lessons to be completed between Thursday, June 22nd and Tuesday, August 1st. These lessons range in length and topic and have been chosen specifically to build on students strengths and help review any concepts that will be recurring throughout the upcoming year.

I encourage your child to spread these lessons out throughout the allotted time so that they can properly dedicate themselves to the different lessons while still enjoying their summer vacation time. To that end, we are recommending completing 1 lesson per week be completed.

In addition to the i-Ready ELA lessons, there is a summer math assignment and ELA assignment which can be found and printed on the school website. All assignments should be completed in a timely manner and returned to the appropriate teacher when school resumes.

Please feel free to reach out to any of us if you have any questions throughout the summer.

Have a great summer and see you in September!

Sincerely,

The Second Grade Teachers
