Please label and pack your art supplies in an extra large ziploc bag for art only - any supplies that you already have from this year and are in good condition may be used again next year! Please keep in safe place! You may use and should use your sketchbook over the summer! Keep creating! We may use community supplies for some of the items depending on status of sharing supplies next year. Watercolors must be in separate ziploc and labeled with student's name. Watch for the school supply sales over the summer. Please contact Mrs. Ferreri by email sferreri@hfsli.org if you have any questions. Thank you!
