Each year Parent School Association sponsors the **Dedicate-A-Book Program**, which enables our librarian, Mrs. Barricelli, to update and enhance the selection of books for our school library.

For \$20.00 per book, Mrs. Barricelli will order a bound book appropriate for your child/children. You may take part in this wonderful program by ordering one book for each of your children or you may order a book for your family as a whole. **Individual dedications will have a personalized label affixed with your child's name. Family dedications will have a personalized label affixed with all of your children's names.**

The children are always thrilled to see their names appear in the front of these library books. The entire student body benefits from this program and the children are extremely proud to be contributing to their school library.

Please complete the form below and return it to the school office by Friday, March 6, 2026.

Enclose cash or attach a check payable to St. Agnes Cathedral School in the amount of **\$20.00** per book.

Your child will then be the first to borrow the book from the library.

Thank you for supporting this worthwhile program and enriching the learning experience for all of our children through reading.
