

**Parent School Association
3rd Grade Library Book Club**

In collaboration with the Parent School Association, library and the classroom teacher, the third grade will participate in a **Book Club Adventure**. This year, every student will be reading **The Case of the left-handed Envelope, book one, of the Third Grade Detective Series, written by George E. Stanley. Together, let us provide the students with a rich book club experience filled with fun and engaging activities to get the students excited about reading and solving mysteries.**

To make this process easier, please ensure that your child reads the pages assigned each week and to bring their individual copy of the book to each of their assigned sessions. They will be referring back to the text.

Please **circle** the date(s) of your availability and complete the tear off below and return tear-off to the classroom teacher. **Responses are due back by March 30, 2026** and then you will be notified via email of your confirmed dates to volunteer.
