Dear Parents and Guardians,

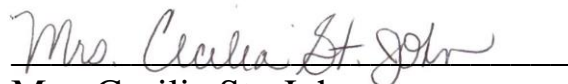

As we begin planning for the upcoming school year, we kindly ask for your input regarding your child's academic placement. Class placement is an important and complex procedure that involves many factors to balance the classes. If you have any concerns about next year's placement for your child, whether academic, social, or emotional, I ask that you communicate them to me **in writing ONLY** (no e-mails) **by May 15th**.

We welcome any information regarding **peer dynamics**. Please understand that we are not able to accommodate requests for specific teachers and it is not a request for friends to be in the same class. The teachers work very hard to form balanced and supportive classroom environments.

After May 15th, please understand that we will not be able to accept any additional requests or make any changes regarding class placement.

Thank you for your continued partnership and support.

Sincerely,

Mrs. Cecilia St. John
Principal
