FROM YOUR PASTORS

REGISTRATION FORM FOR ST. GABRIEL THE ARCHANGEL PARISH

On October 11, 2021, the three parishes of St. Joseph-St. Therese, Our Lady of Fatima and St. Mary's will become St. Gabriel the Archangel Parish. Your co-pastors are asking **ALL** parishioners from each parish to register their families using the registration form found in this bulletin or online on our website - ccnbn.org. Your cooperation is greatly appreciated as we put together an accurate list of everyone who will be a parishioner of our new parish. Please note that even if you are already registered at one of the three parishes you are still required to fill out the registration form.

We also need you help to inform other parishioners to fill out a registration form. We are attempting to use all means necessary to get the word out. Registration is necessary to update our data base for the company that provides the weekly offering envelopes and for any parishioner who may need a sponsor certificate or any other official document from our parish. We realize it will take time to complete the registration process; please be patient with us.

The Registration form can be dropped in any collection basket, mailed or brought to the Central Office at 106 Illinois St. New Bedford, MA 02745.

****On the registration form please list only dependent children 21 & under who still live at home. Any other adults, including adult children who still live at home, should register on their own if they want to be registered members of St. Gabriel the Archangel Parish.**

LIVE THE LITURGY Inspiration for the week

It all really boils down to a matter of the heart, and actions do speak louder than words. We cannot hide from the truth. A problem with religion is that it is possible for someone to make everything appear to be right when actually it is not. We can say all of the right prayers, perform all of the proscribed rituals, claim that we adhere to orthodox doctrines and still lead a distorted, empty and sometimes pitiful life. Only actions springing from true and deep sacrifice demonstrate true integrity. Without sacrifice, even the noblest looking actions can amount to nothing. It is no wonder, then, that the widow who contributed from her poverty received great admiration from Jesus. While it may not always appear to be the case, God has a special care and regard for those who depend upon him in times of trouble and want. Only the person who is truly poor is the only one who can see this. Because of a lack of trust, the one who has much is afraid to take a risk and sees only what they possess as their only security.

SAINT OF THE WEEK

You may recognize the name St. Frances Xavier Cabrini (1850 – 1917) as the first United States citizen to become a saint. Known for her deep trust in God, she was a courageous woman doing the work of Christ.

Her life of service began when she was first refused admission to the religious order which had educated her to be a teacher. Not one to take things face value, she instead focused her charitable work at the House of Providence Orphanage in Cadogno, Italy, and in 1877, professed vows there and took the religious habit.

When the bishop closed the orphanage in 1880, he named St. Frances Xavier Cabrini prioress of the Missionary Sisters of the Sacred Heart. However, she had a dream she was determined to fulfill. Since her early childhood, she had dreamed of being a missionary in China. Pope Leo XIII, however, urged her to see the need in the west. She traveled with six of her fellow religious sisters to New York City, where they worked with the thousands of Italian immigrants residing there.

Although she experienced many disappointments during this time, she persevered. When she arrived in New York, the house intended to be her first orphanage in the United States was not available. Rather than come back to Italy and the order she oversaw, she instead found a way to establish that orphanage elsewhere — plus a few more. Throughout her life, she is known for founding 67 institutions dedicated to caring for the poor, the abandoned, the uneducated, and the sick. She died of malaria in her own Columbus Hospital in Chicago in 1917.
