## Stewardship Moment

*"For God did not give us a spirit of cowardice but rather of power and love and self-control." - 2 TIMOTHY 1:7*

Many of us compartmentalize our Faith, we bring it out only when we attend Mass or when we attend a parish event. Being a good steward requires discipline and striving to put God first in everything, all the time. The next time you are at a neighborhood party, at work or out shopping, would your actions signal to others that you are a good and faithful servant of our Lord?

**Sacrament of the Sick:** You are encouraged to seek the Sacrament of the Sick if you are suffering from a serious illness or are going to be admitted to the hospital for surgery. Please contact the office if you would like to be anointed, or be added to our prayer corner.

HIPAA rules do not allow hospitals to acknowledge if you are a patient. It is up to you or your family to contact us if you would a visit from Father Goodwin.

**Sacrament for Baptism:** Contact Father Goodwin for preparation class. This can be done prior to birth of the child. act the Parish office to schedule the Baptism.

**Sacrament of Marriage:** Contact Father Goodwin at least one year in advance.

## ND SMP Scam of the Month – October 2019

### Continue to Guard Your Card!

Scammers are after your medical insurance and financial information. As Medicare Open Enrollment approaches, you can protect yourself by knowing what to look for. Scammers use the increased public outreach activities during Open Enrollment as an opportunity to reach beneficiaries. By being vigilant and taking precautions, you can avoid falling victim to

health care fraud.

Health care scammers go to great lengths to steal from Medicare beneficiaries. This can disrupt your medical care and it wastes taxpayer dollars. Health care fraud happens when someone steals or uses your Medicare number to submit fraudulent claims to Medicare without your authorization. That's why it is so important to guard your Medicare number and other personal information. The Centers for Medicare and Medicaid (CMS) caution that healthcare fraud happens all year long and ongoing scams involve fraudulent health screenings, genetic testing, lab work, and the sale of durable medical equipment (DME) like wheelchairs, walkers, canes and diabetic supplies.

To protect yourself from fraudsters:

If a caller says they're from Medicare and asks for your Medicare number--hang up. It's probably a scam.

Only give your Medicare number to participating Medicare pharmacies, primary and specialty doctors you see, and people you trust to work with Medicare on your behalf.

Never accept medical supplies from a door-to-door salesperson.

If someone calls or comes to your door claiming to be from Medicare, remember that Medicare and Medicaid DO NOT send representatives to your home.

Be wary of providers who tell you that the item or service isn't usually covered by Medicare, but they "know how to bill Medicare" so that Medicare will pay.

Remember, nothing is ever "FREE." Never accept offers of money or gifts for free medical care or supplies.

Report suspected instances of fraud to ND SMP or to Medicare's toll-free customer service department at 1-800-633-4227.

For non-Medicare or health care fraud, contact the Consumer Protection Division at the ND Attorney General's Office at 1-800-472-2600 if you think you have been scammed.
