

St. Mary School

Physical Education 2022-2023

Welcome to St. Mary School! My name is Miss. Raimo and I will be your PE teacher for the 2022-2023 school year! I have exciting activities planned for this upcoming school year. We will be covering many different types of games and activities from learning how to stay active and fit to learning how to play new sports and skills. Below, please read the following rules and expectations for class:

Expectations and Rules

- 1. Must wear your appropriate gym uniform to class (SMS shorts, shirt, sneakers, SMS gym jacket/pull over etc.) If there is a problem, please bring me a note from your parent/guardian. If you are out of uniform, it will be an infraction and a point off your grade.**
- 2. Be respectful to your classmates, teacher and most importantly yourself!**
- 3. Respect the equipment.**
- 4. No jewelry or valuable items that could potentially be lost, stolen or broken.**
- 5. If you are unable to participate in PE, I must have either a note from home or a doctor's note. If I don't receive either, it will be an infraction.**
- 6. Do your absolute best and have fun!**

Below is the grading system here at St. Mary School that we follow. If at any point your grade goes down, you can earn it back by participating in any sort of outside activity. I must have proof in order for it to count towards your grade. You will be able to earn back one point.

Grading System

Kindergarten

- 3 – Meets age appropriate expectations. Performance on task is consistently apparent.
- 2 – Shows progress in meeting age appropriate expectations. Performance on task is emerging.
- 1 – Does not meet age appropriate expectations. Performance on task does not meet expectations.

1st - 5th

- 4 – Student work demonstrates thorough and consistent understanding of grade level standards and objectives. Student completes work independently and integrates learned concepts and skills
- 3 – Student work demonstrates an understanding of grade level standards and objectives. Students complete work satisfactorily and applies expected skills to work.
- 2 – Student work demonstrates a partial understanding of grade level standards and objectives. Students exhibit inconsistent understanding and application of concepts and skills.
- 1 – Student work demonstrates minimal understanding of grade level standards and objectives. Student evidenced very limited organizational, reasoning and critical thinking skills; completing independent tasks only with assistance, struggles with grade level standards and objectives, producing less than expected work.

6th - 8th

The final grade for each trimester will be an average of grades and will be recorded as percentages. Students will also receive a final grade for the school year based on the average of the three trimesters.
