

Family Easter Basket Project

Consider preparing a simple Easter basket for one of the families supported by our Parish Social Ministry!

A basket could include pantry staples, a meal theme your family chooses (i.e. breakfast), or Easter treats!

Want to keep it simple? Donate a grocery store gift card to help a family with their purchase of food for Easter dinner and beyond.

For questions, please feel free to contact our office at

Baskets/donations should be brought to Parish Social Ministry by 3/15
