

I oppose **SB 360** and urge **CA Assemblymembers** to *#KeepTheSeal*

Dear Assemblymember Reginald Jones-Sawyer,

I/We Oppose SB 360. SB 360 is an improper interference of the government into the practice of religion in California. SB 360 seeks to place limitations on a central practice of faith, thereby violating the freedom of religion that America protects for all people.

We agree with the intention behind SB 360: that we must protect youth from abuse and neglect. People of all faiths, and all people of good will, must come together to create a culture where children are protected.

However, there is no need to violate religious freedom to do so.

Any law that violates the freedom of religion is wrong. Any government interference in the free practice of religion hurts all religions and all people of faith.

Please vote NO on SB 360 unless it is amended to protect the freedom of religion for all.

Thank you,
