Holy Cross Academy 2025 Summer Assignments

Dear Students:

Get ready to shine brighter than the sun! As we end another terrific school year and look forward to the sunny days of summer, our learning journey continues with the attached summer reading and math packets. Our summer assignments aren't just tasks; they are your passport to a summer filled with growth and enrichment. So, let's dive in together, embrace the warmth of learning, and make this summer one to remember! Please complete and bring the assignments with you on the first day of school in September.

Enjoy the many blessings of summer!

Numerical Expressions Color by Number: Sharks
Write each sentence as a numerical expression. Then, look for the corresponding numerical

expressions in the picture, and color that part of the picture the color listed by the problem.

Purple	Purple	Green
twenty and five	add three	then times it by twenty
Add four to the quotient of	Twelve divided by four, then	Find the sum of four and five,
Yellow	Black	Green
The product of four and three, minus twelve	The product of four and five subtracted from twenty	Twelve minus four, then multiply by three
Orange	Black	Blue
Twenty minus the sum of four and five	The sum of four and three subtracted from twelve	Four times the difference of twenty and five
4	5	6
Brown	Brown	Blue
The product of four and three subtracted from twelve	Twenty divided by the difference of four and five	Twelve plus the difference of four and three
1	2	3
